04 Project Cases

05 Partners

Company Overview

Supply product conveying solutions for global enterprises

8,000+
Clients

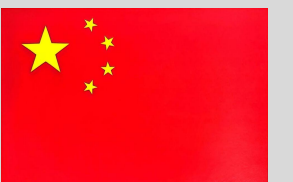

230+
Staff

106
Patents

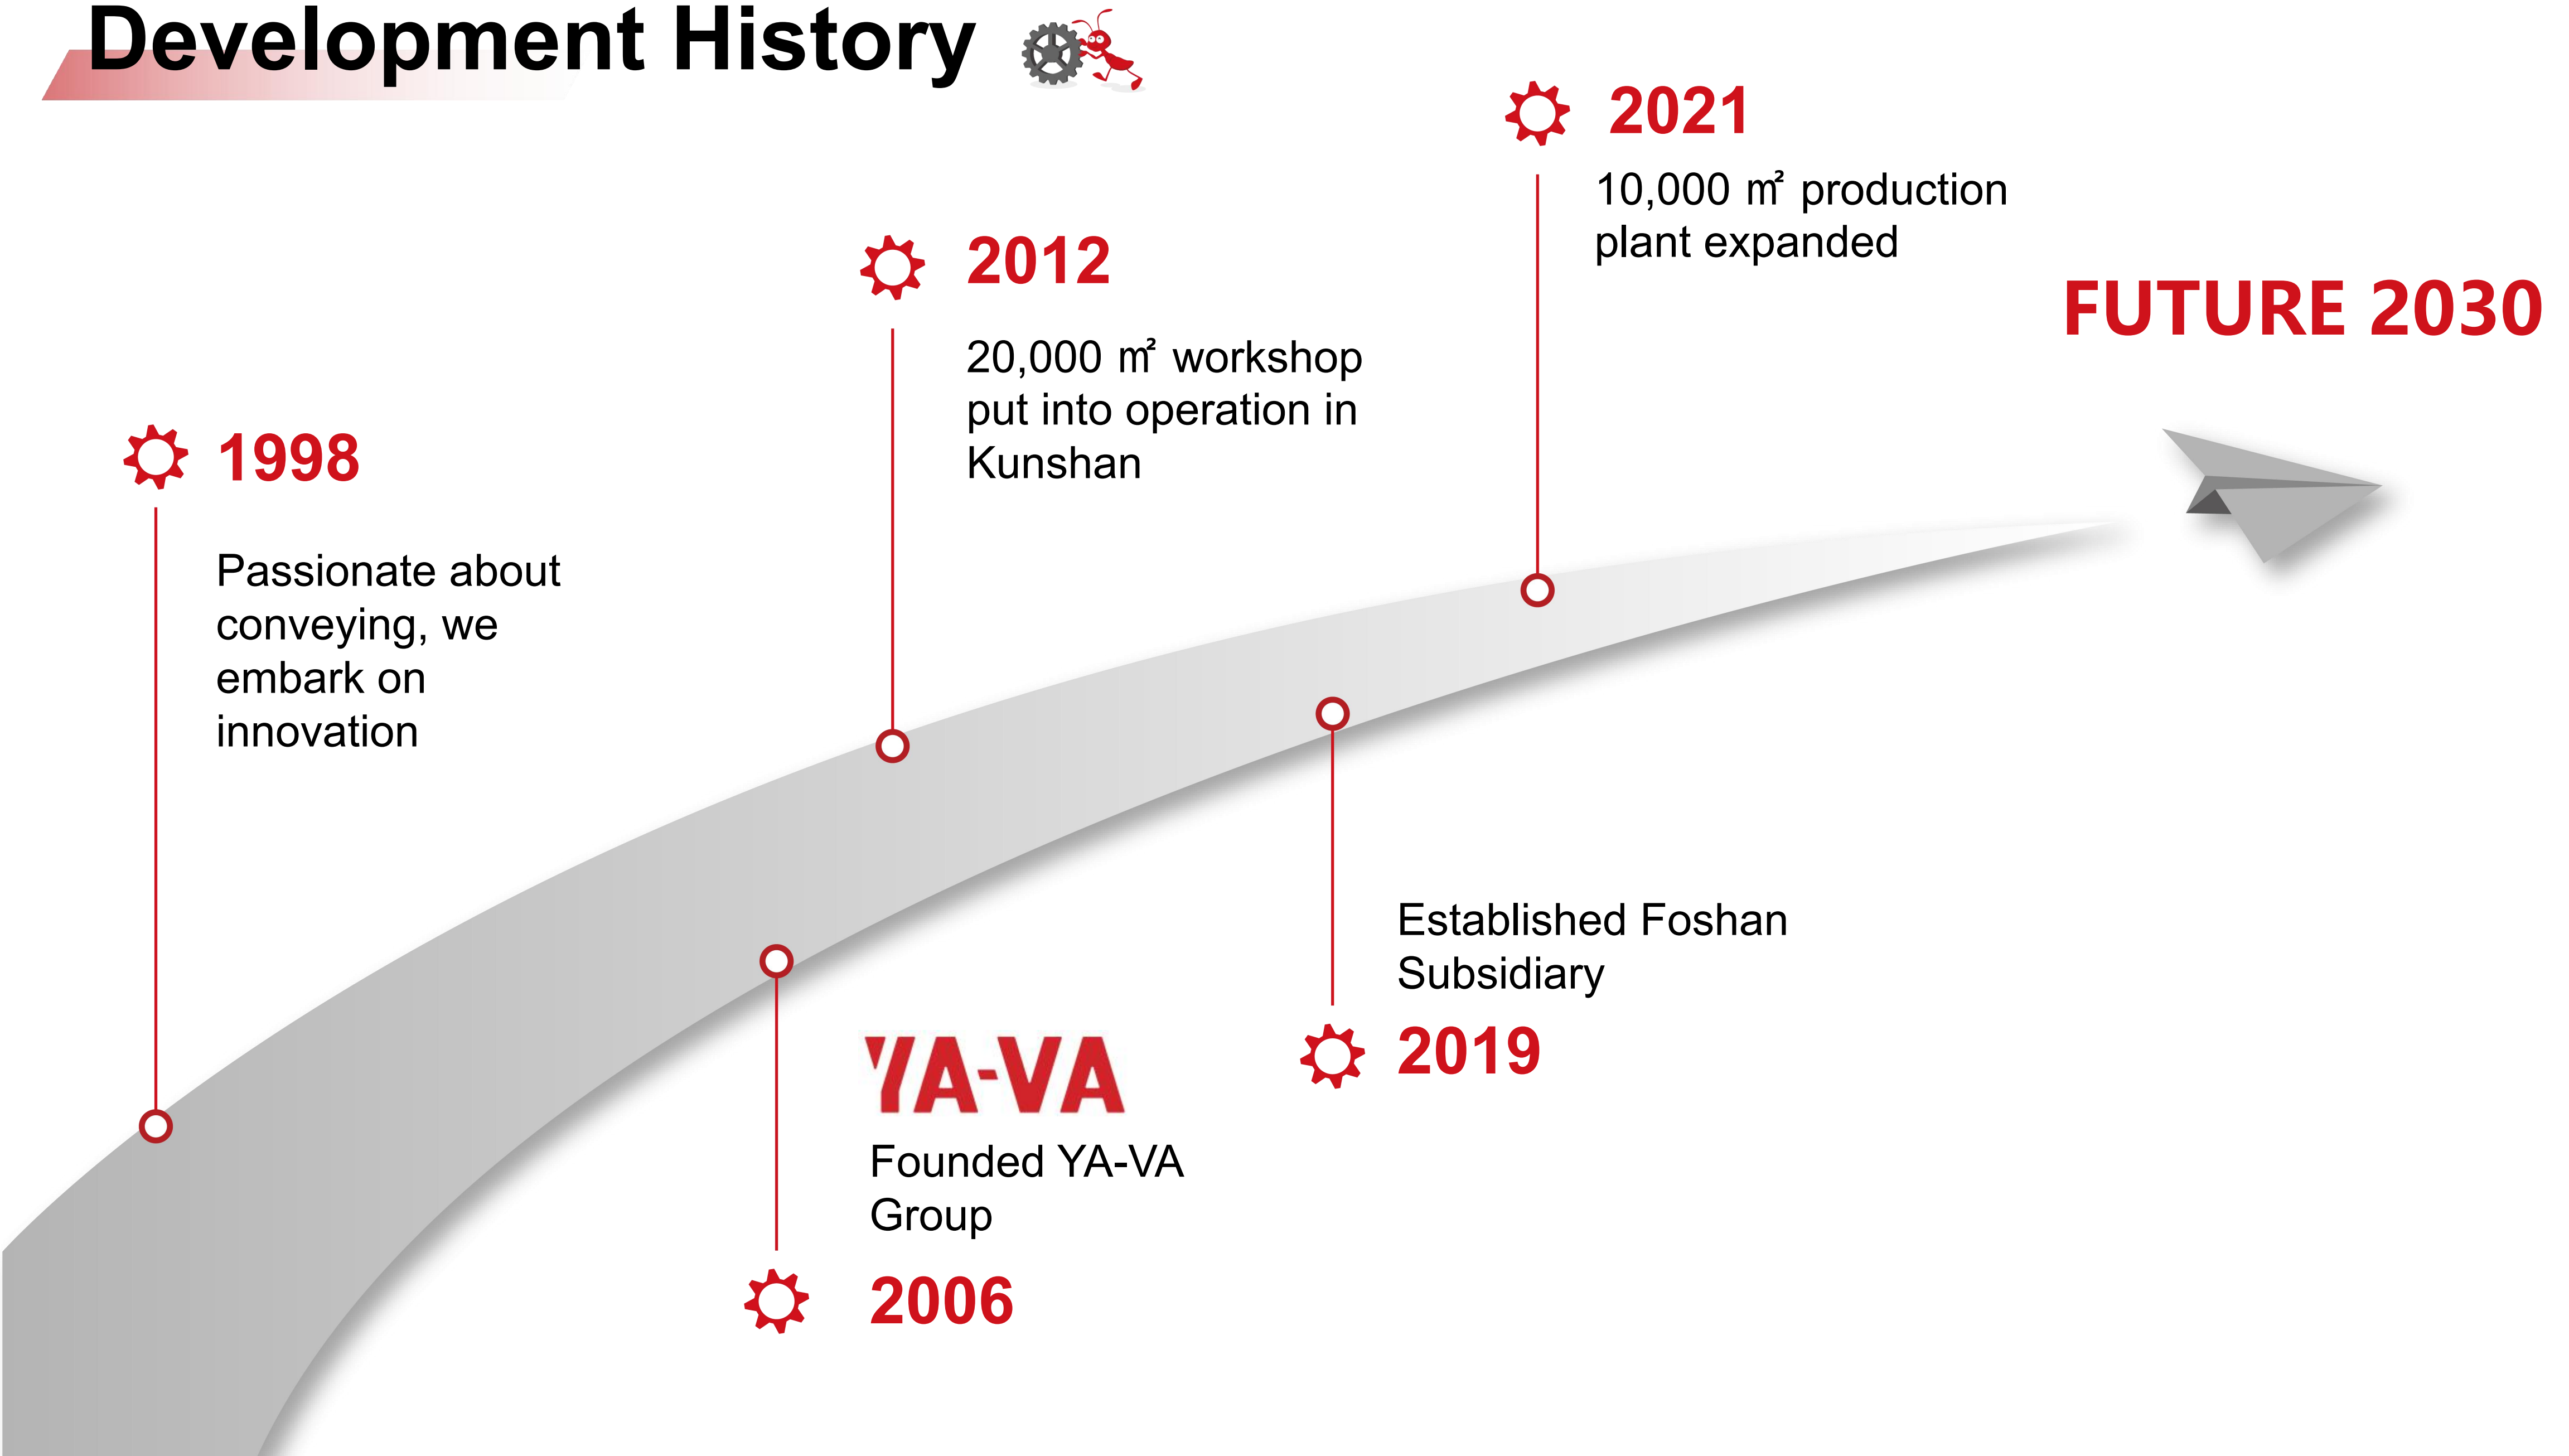

Since
1998

30+
Agency

HQ

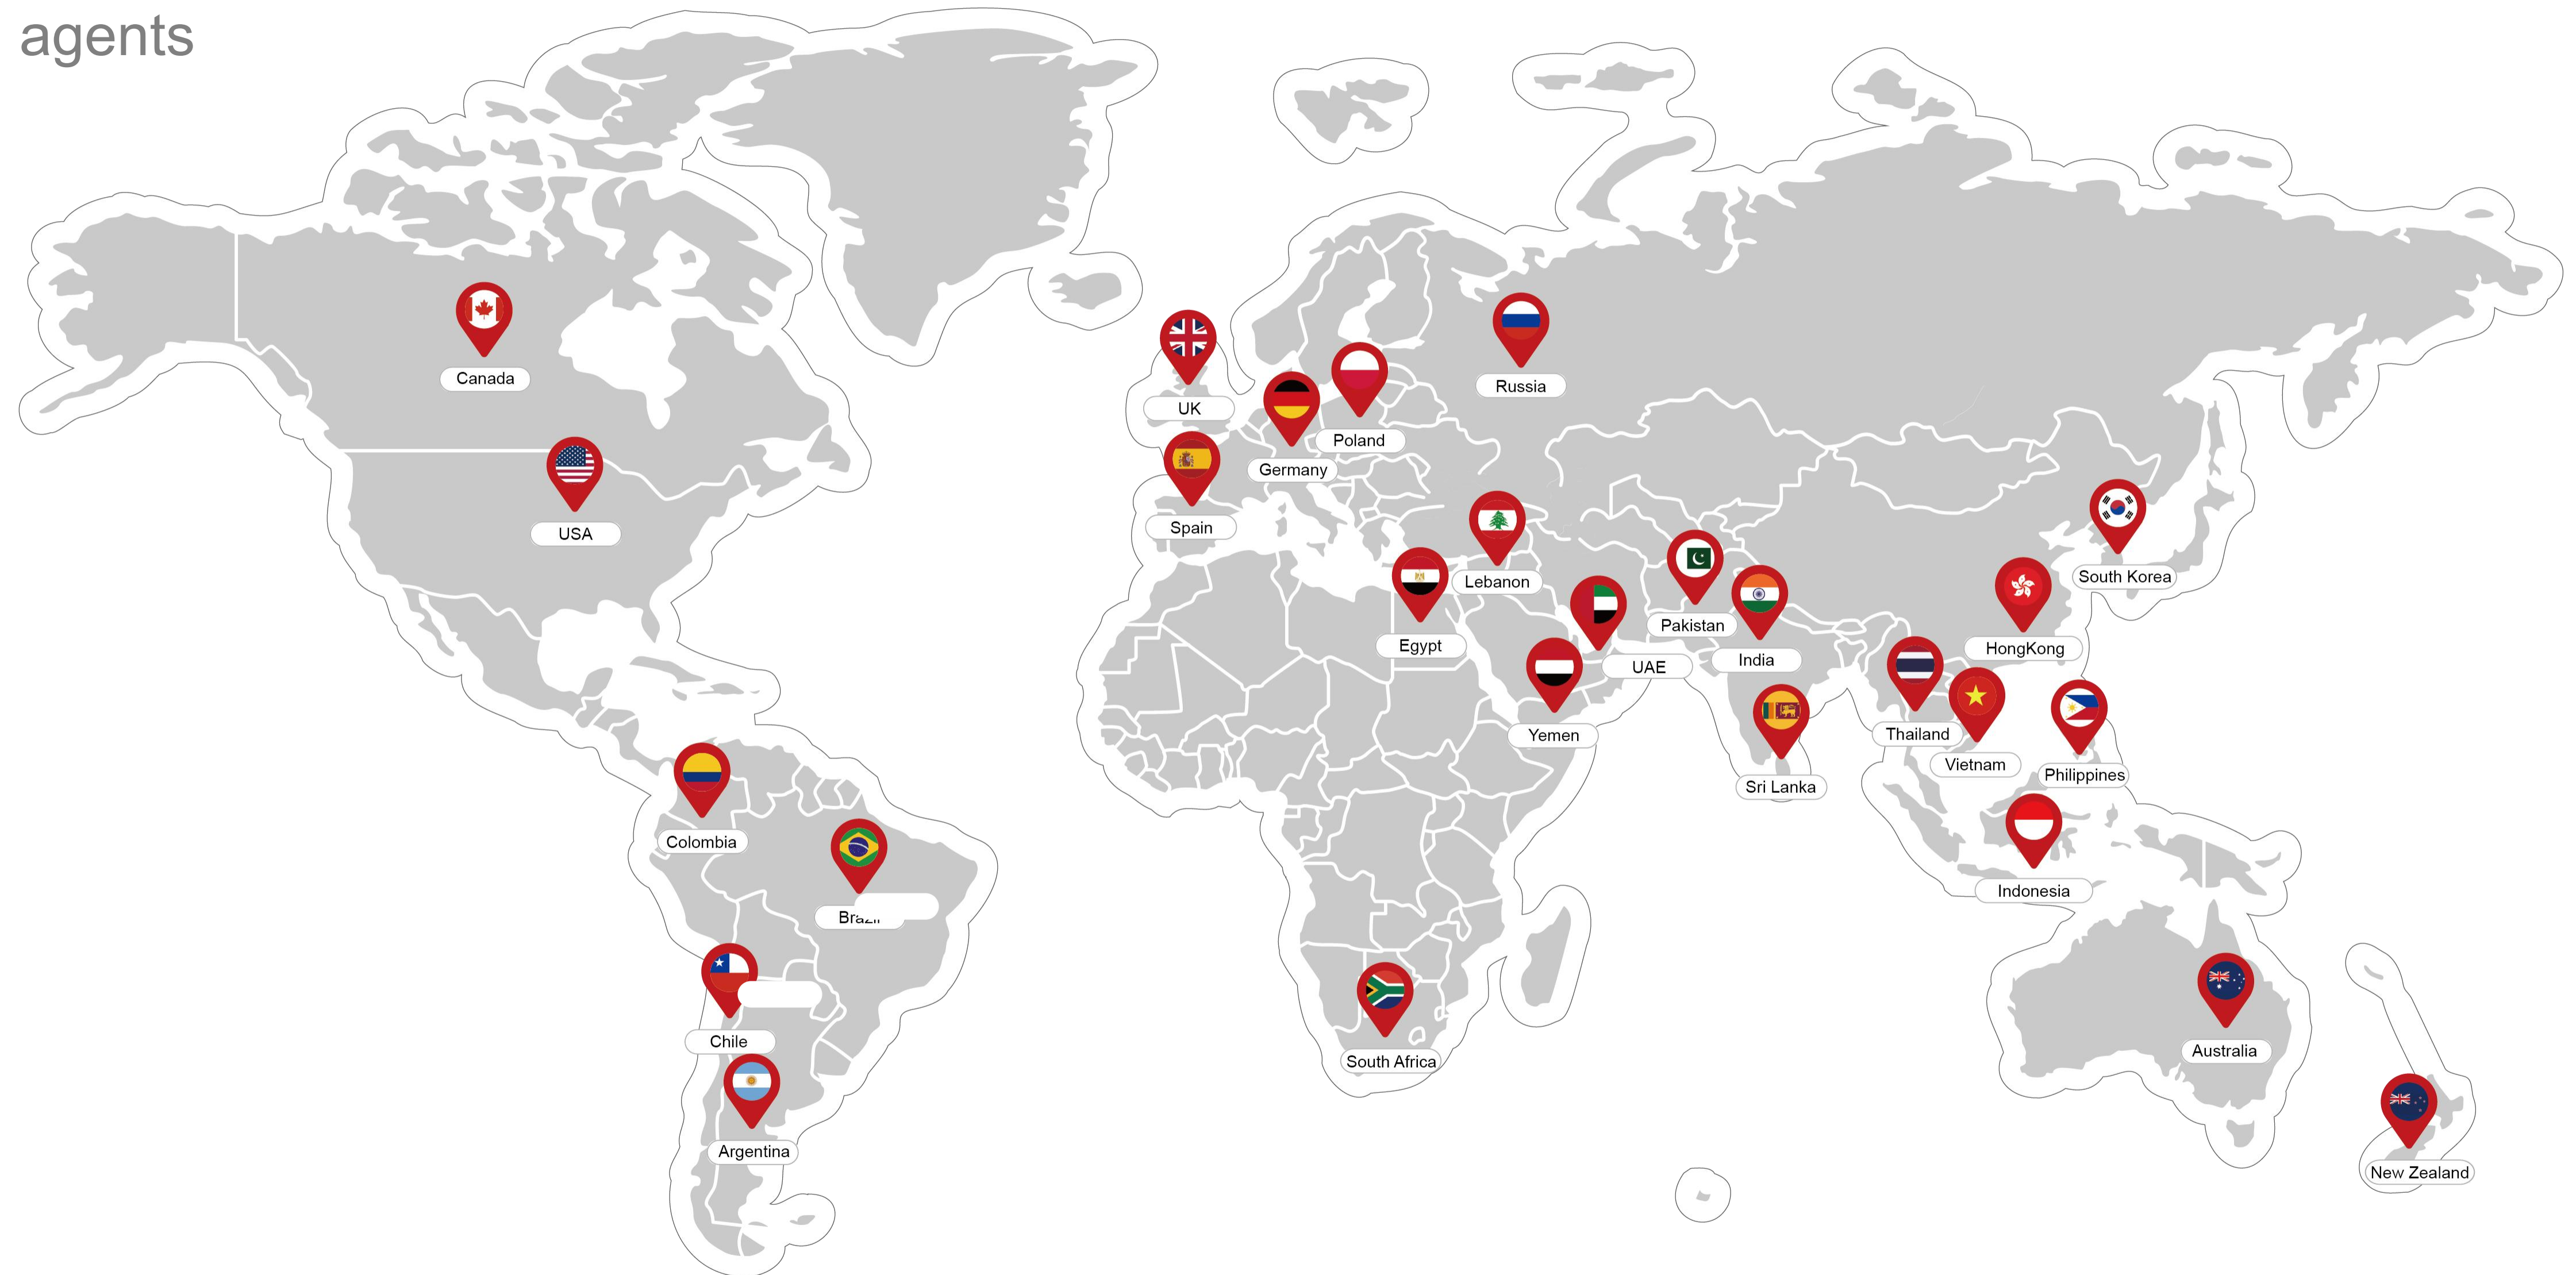

Development History

Global Expansion

100+ cooperating clients

30+ agents

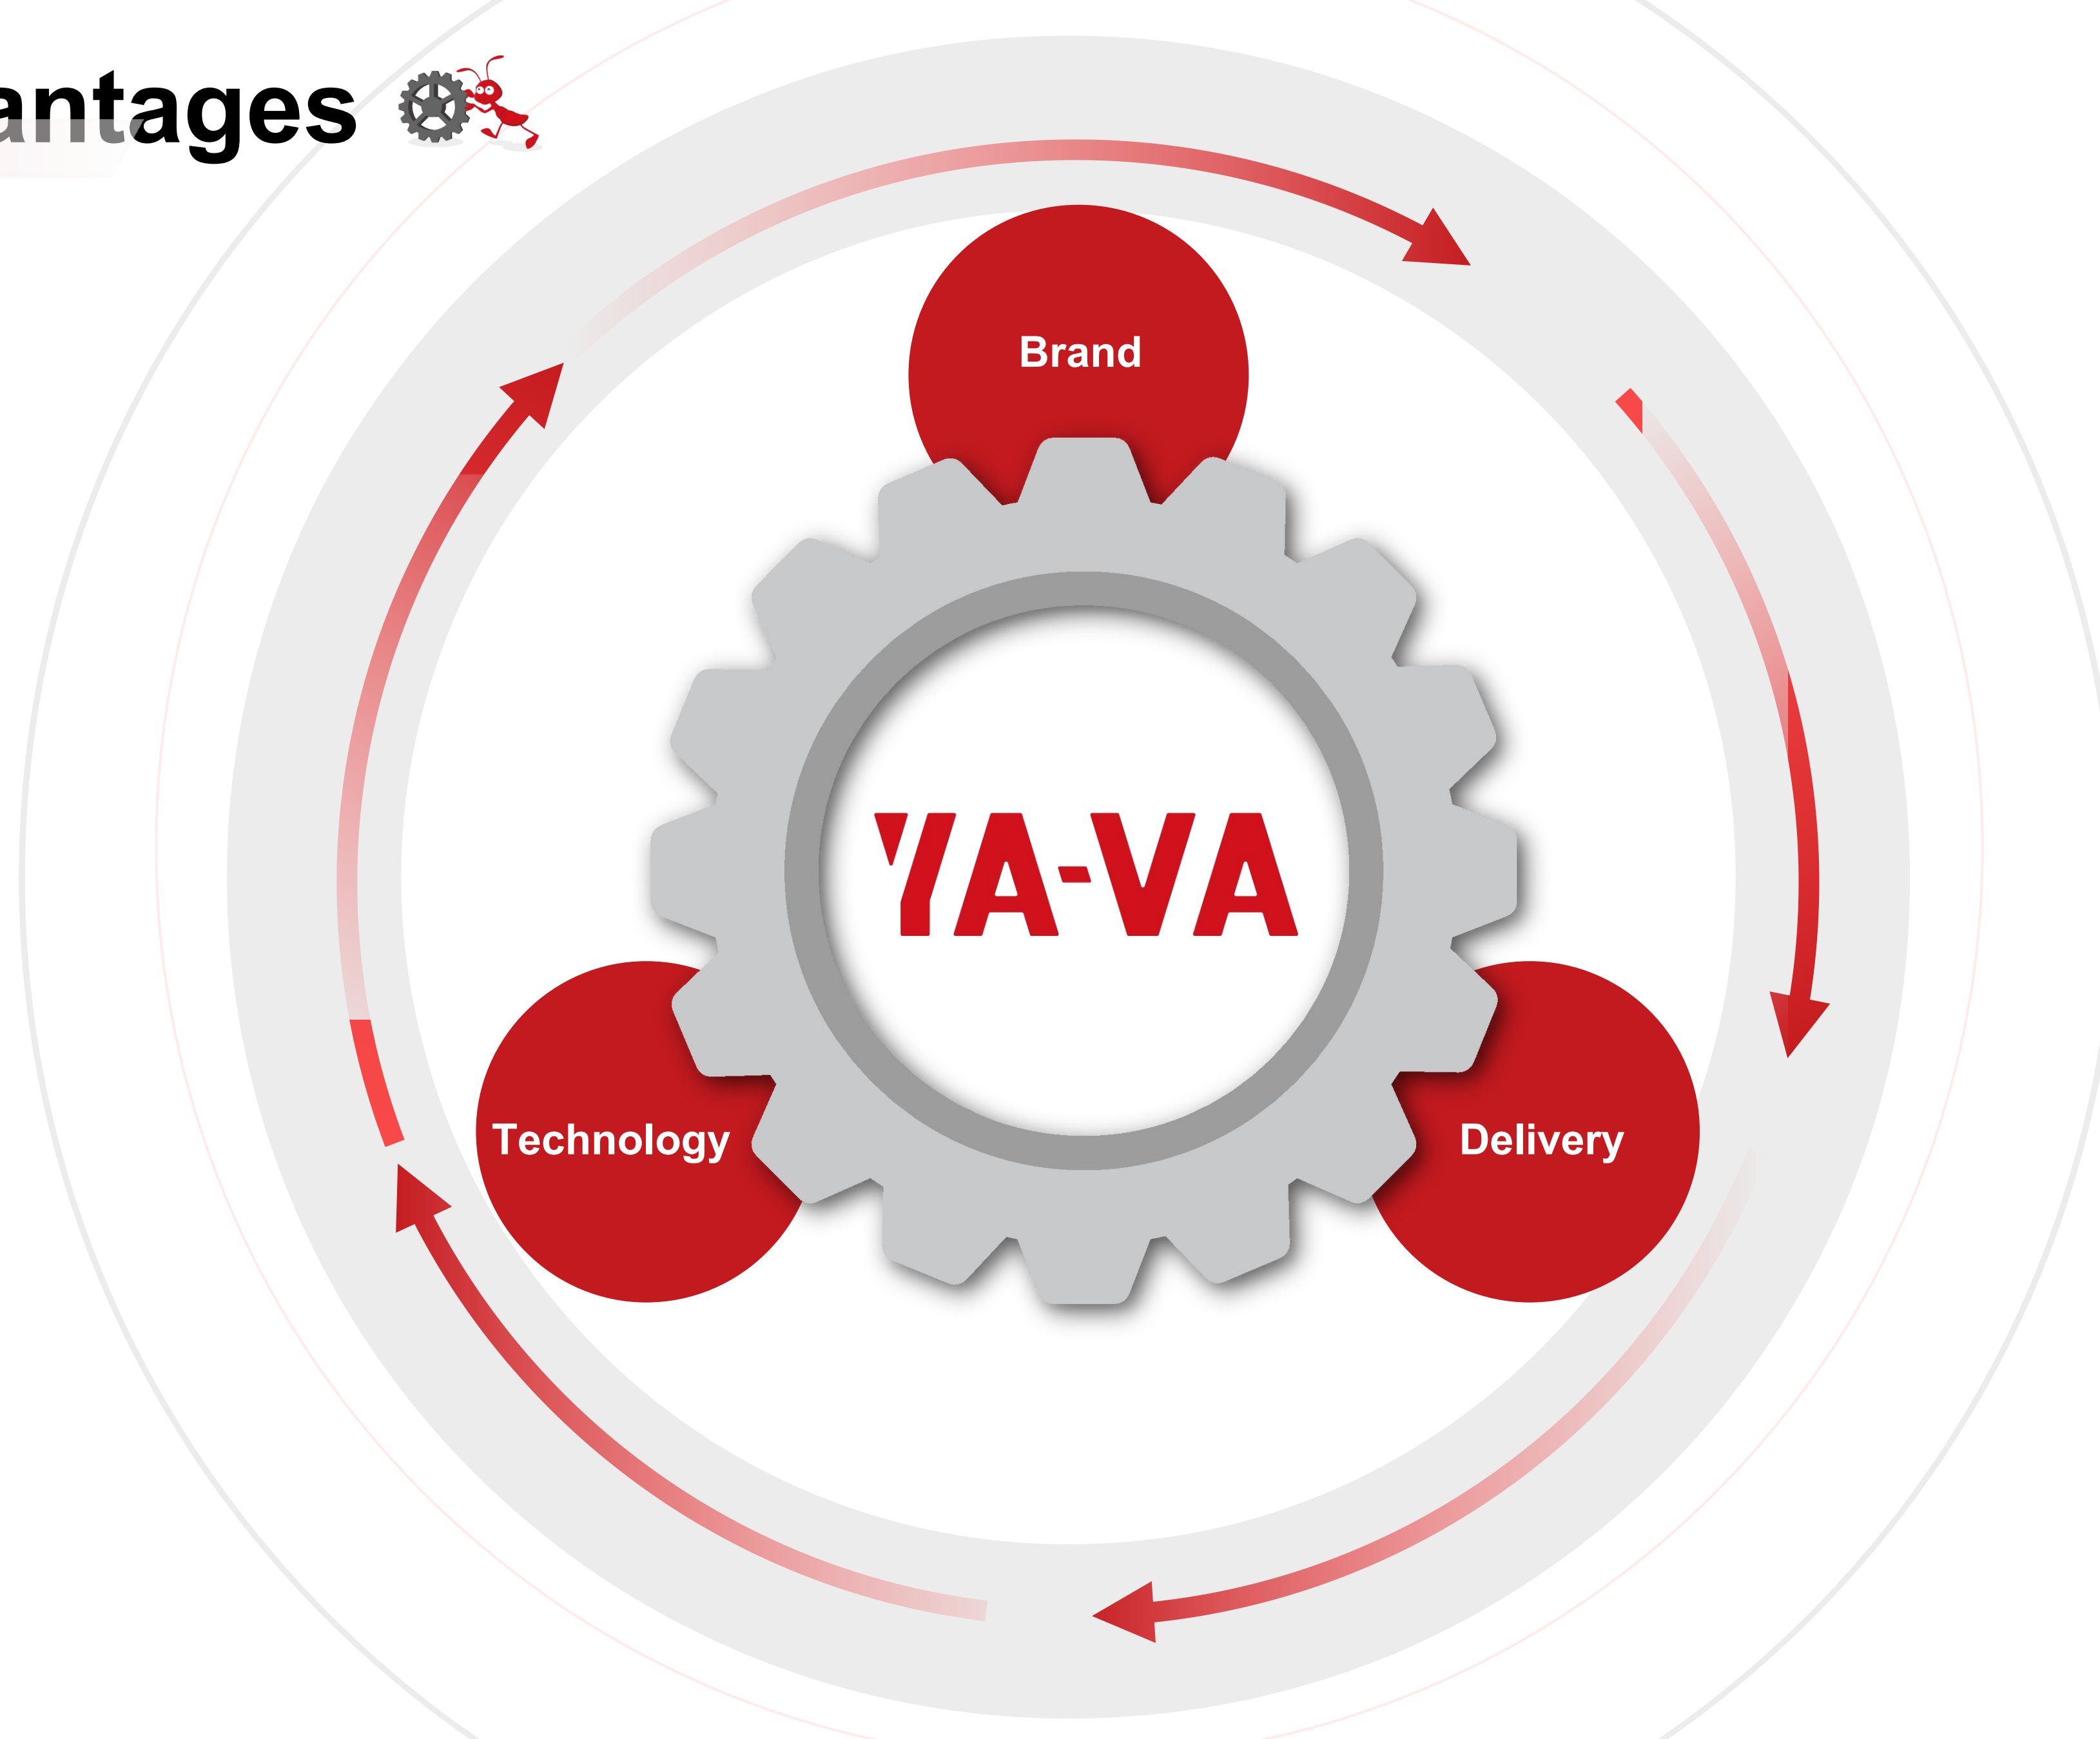

RESEARCH AND DEVELOPMENT TEAM

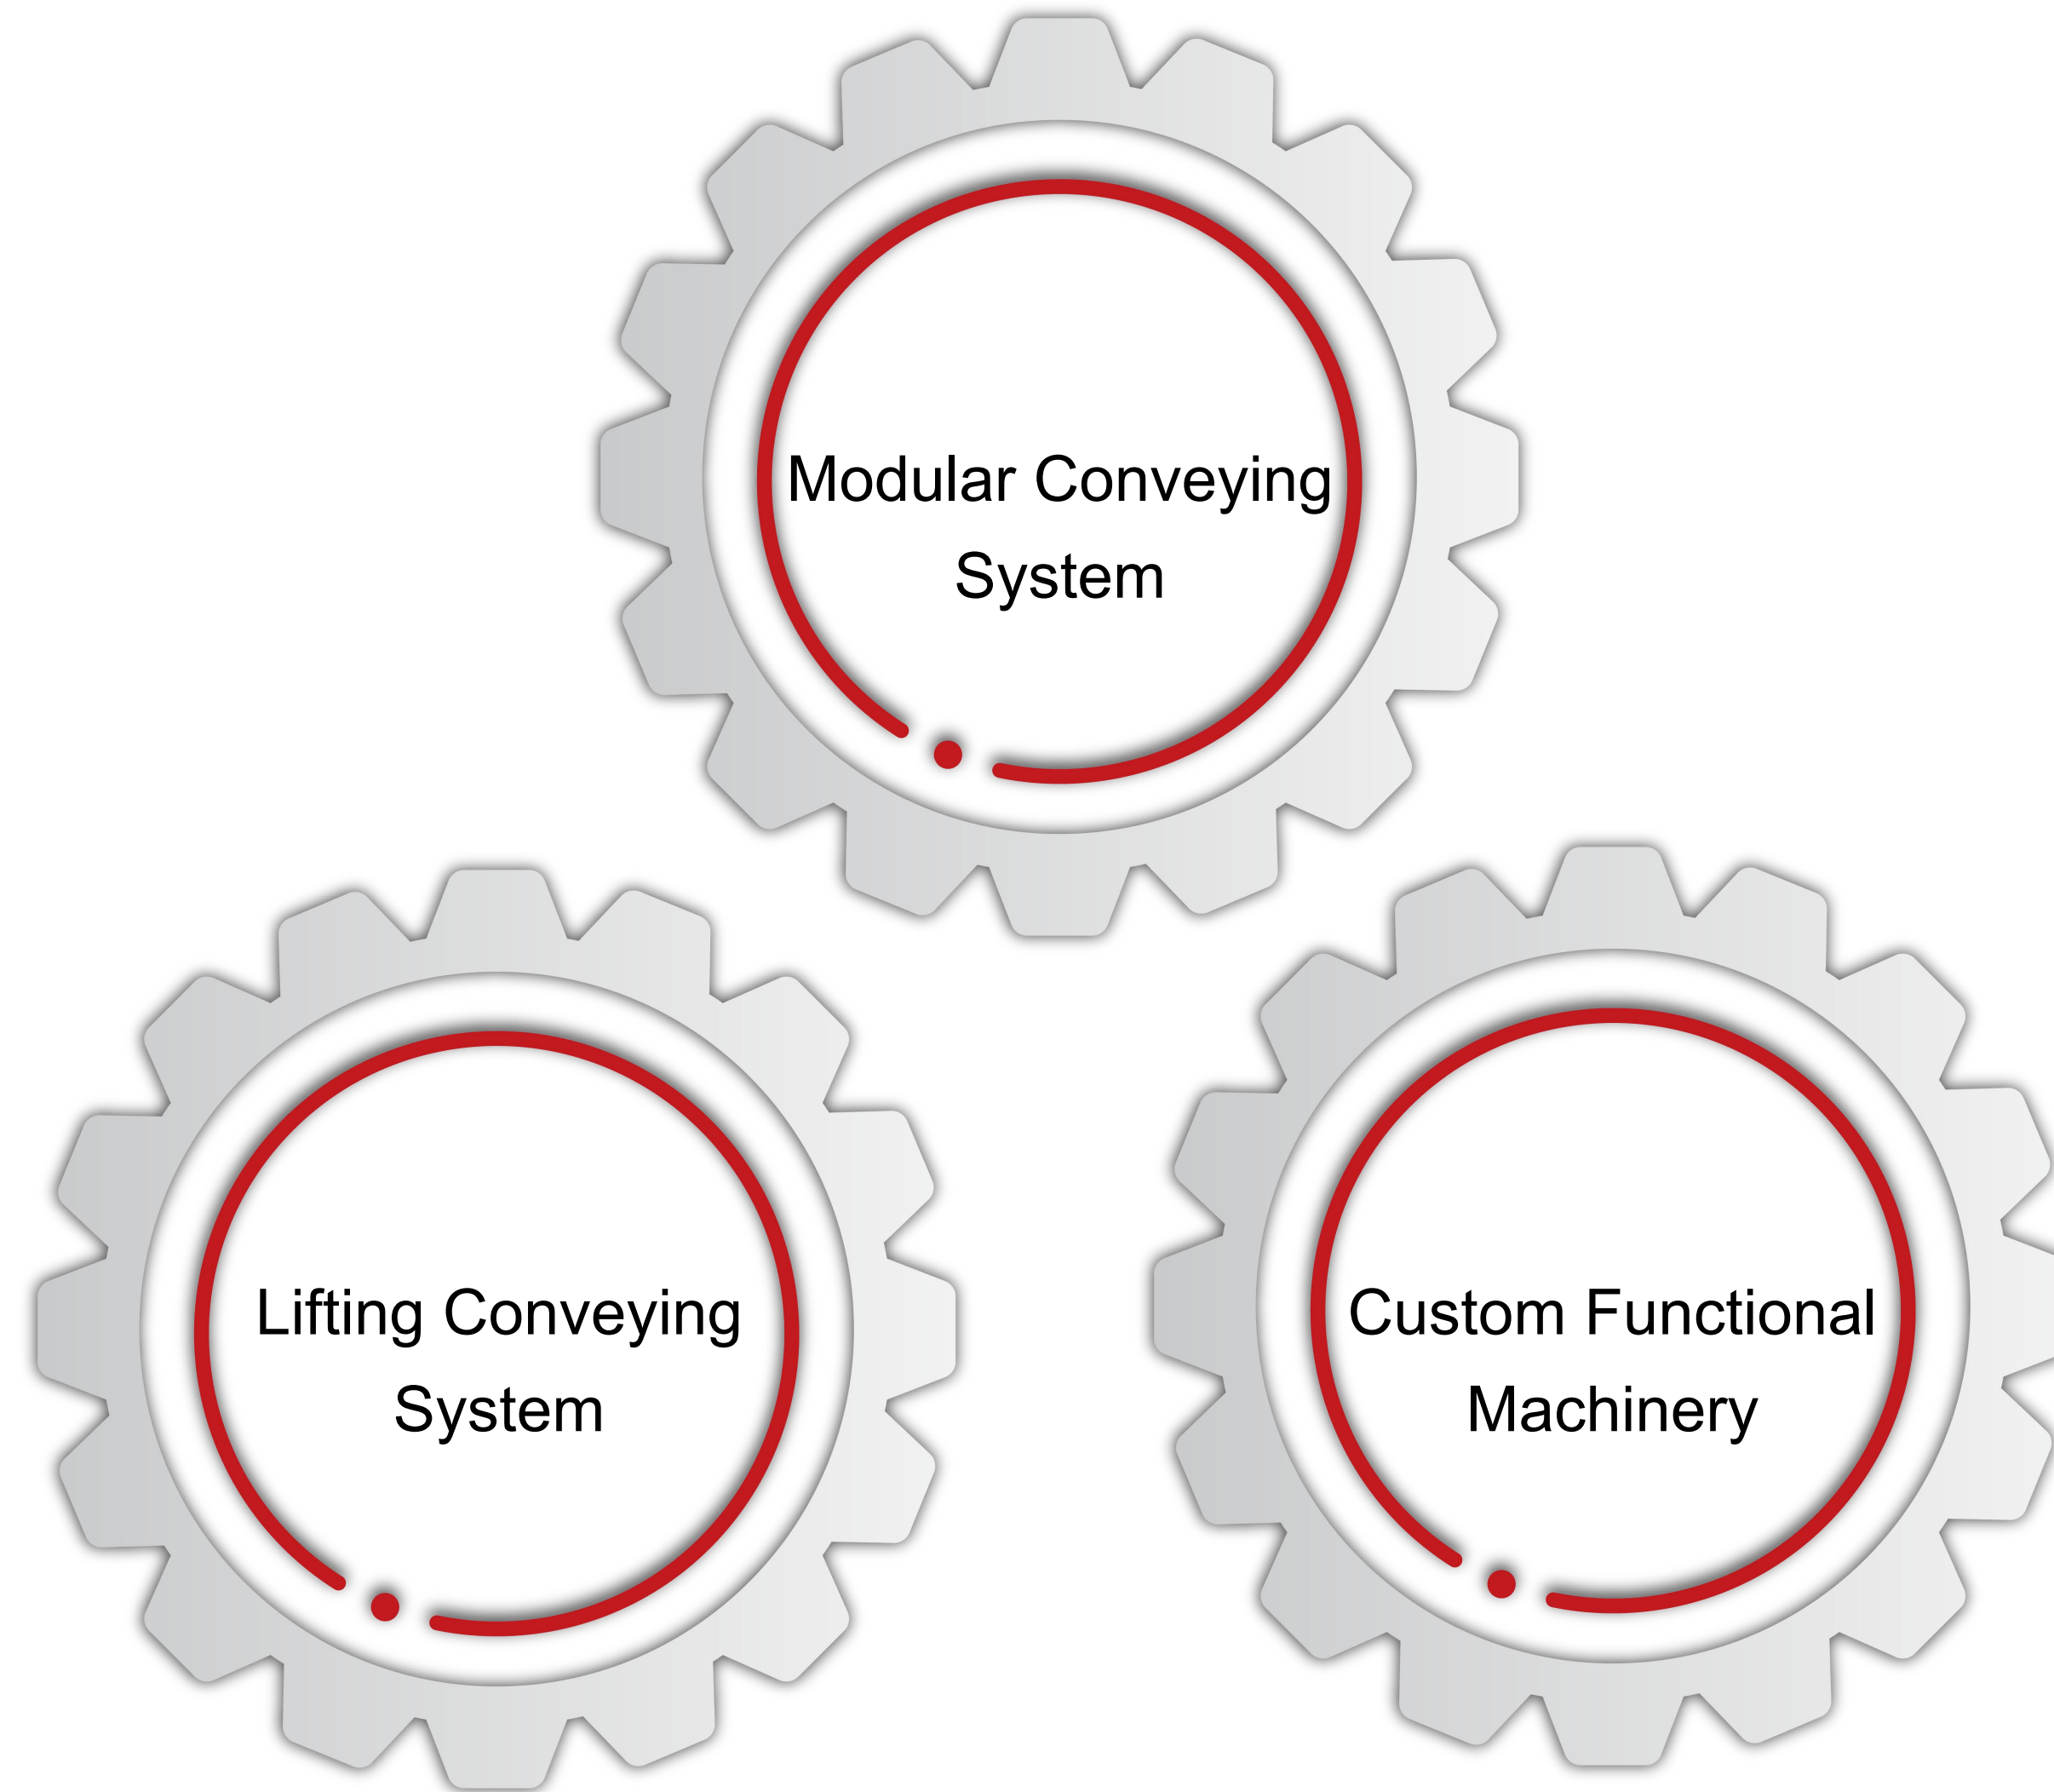

OVERSEAS BUSINESS TEAM

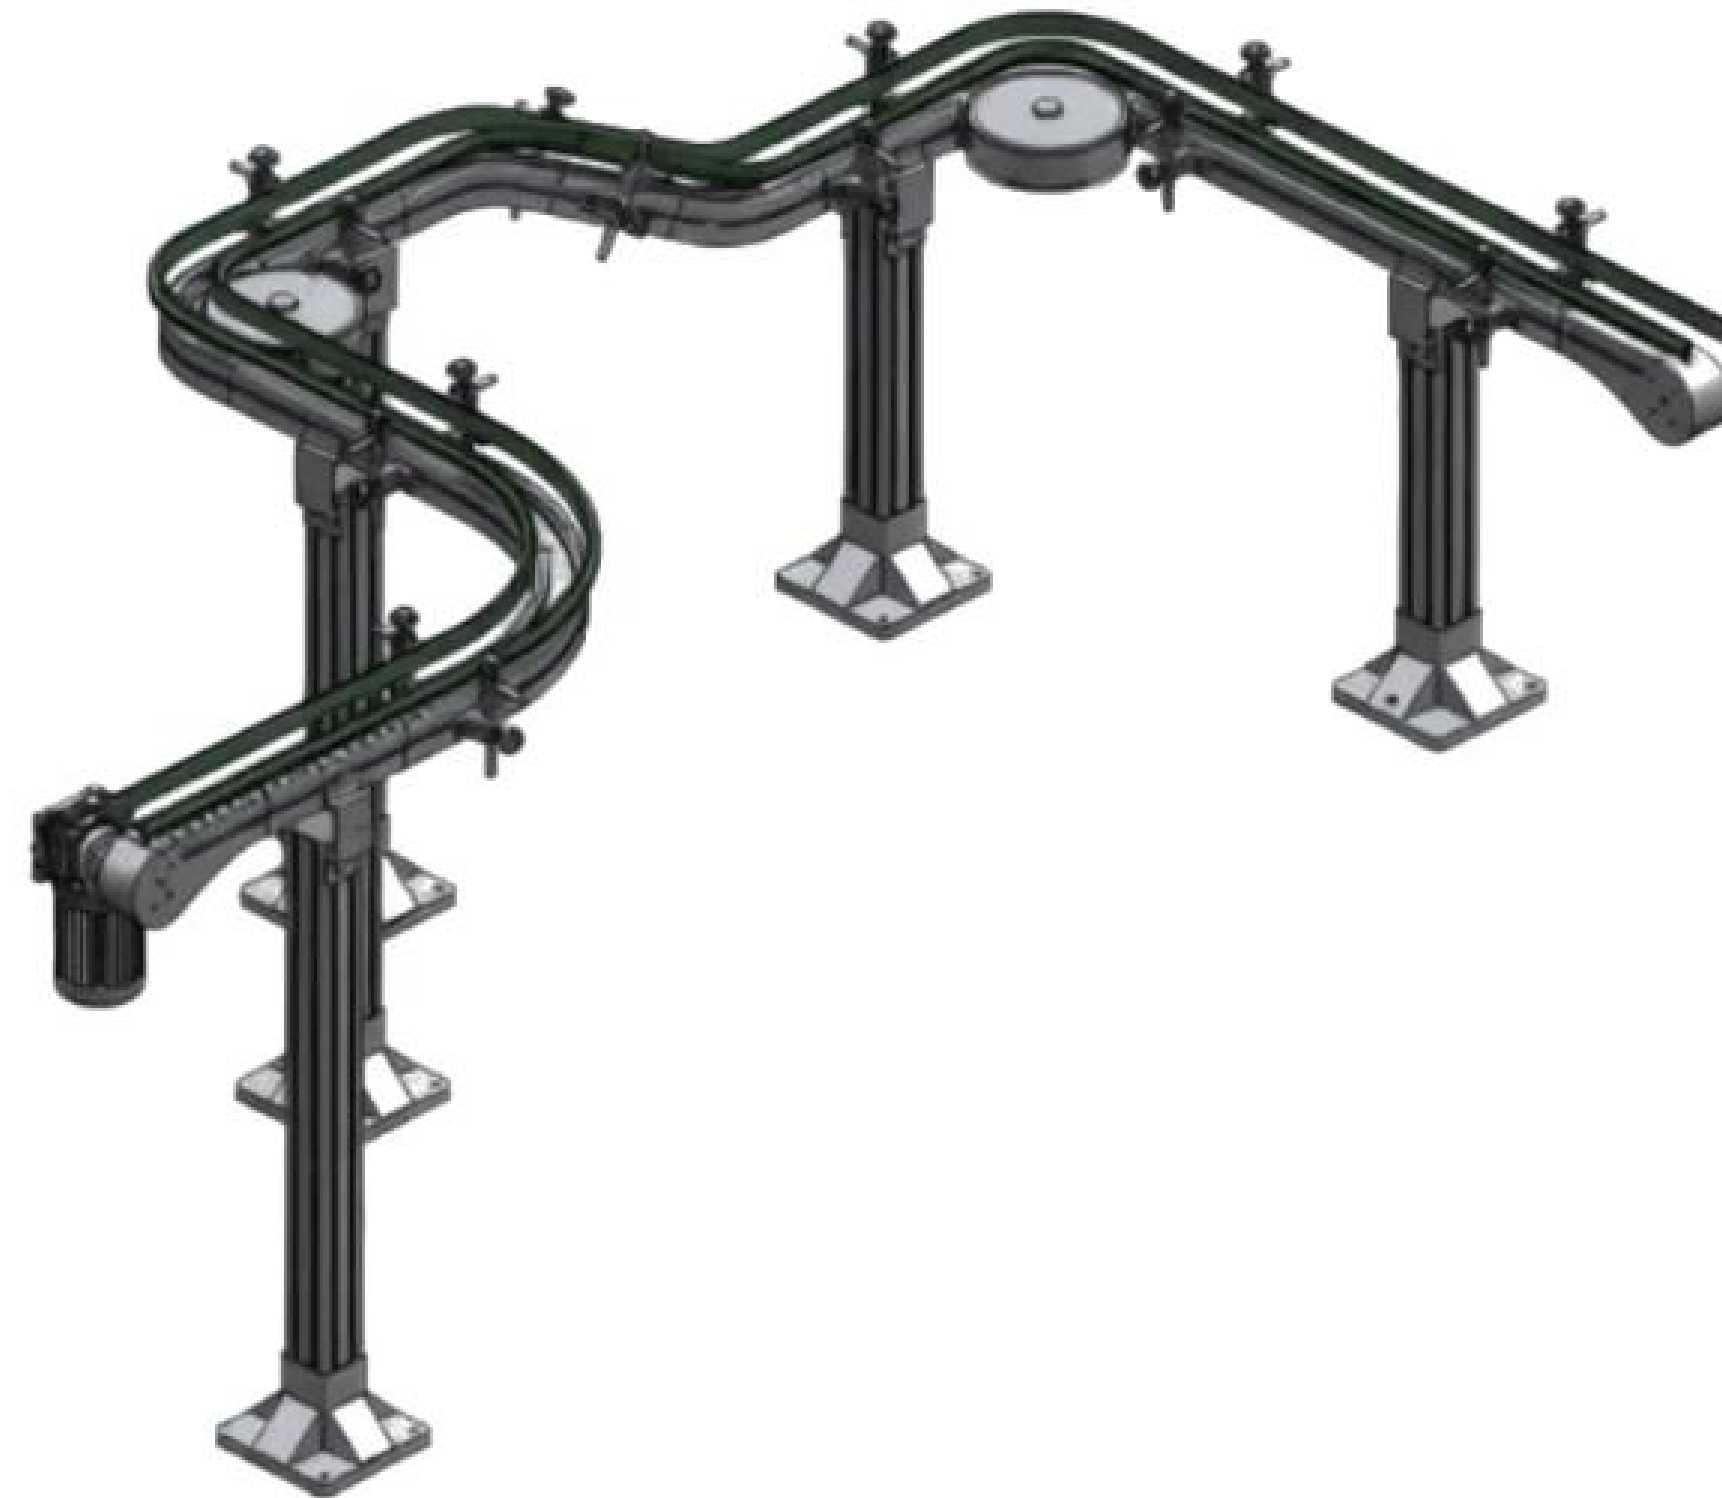

Key Advantages

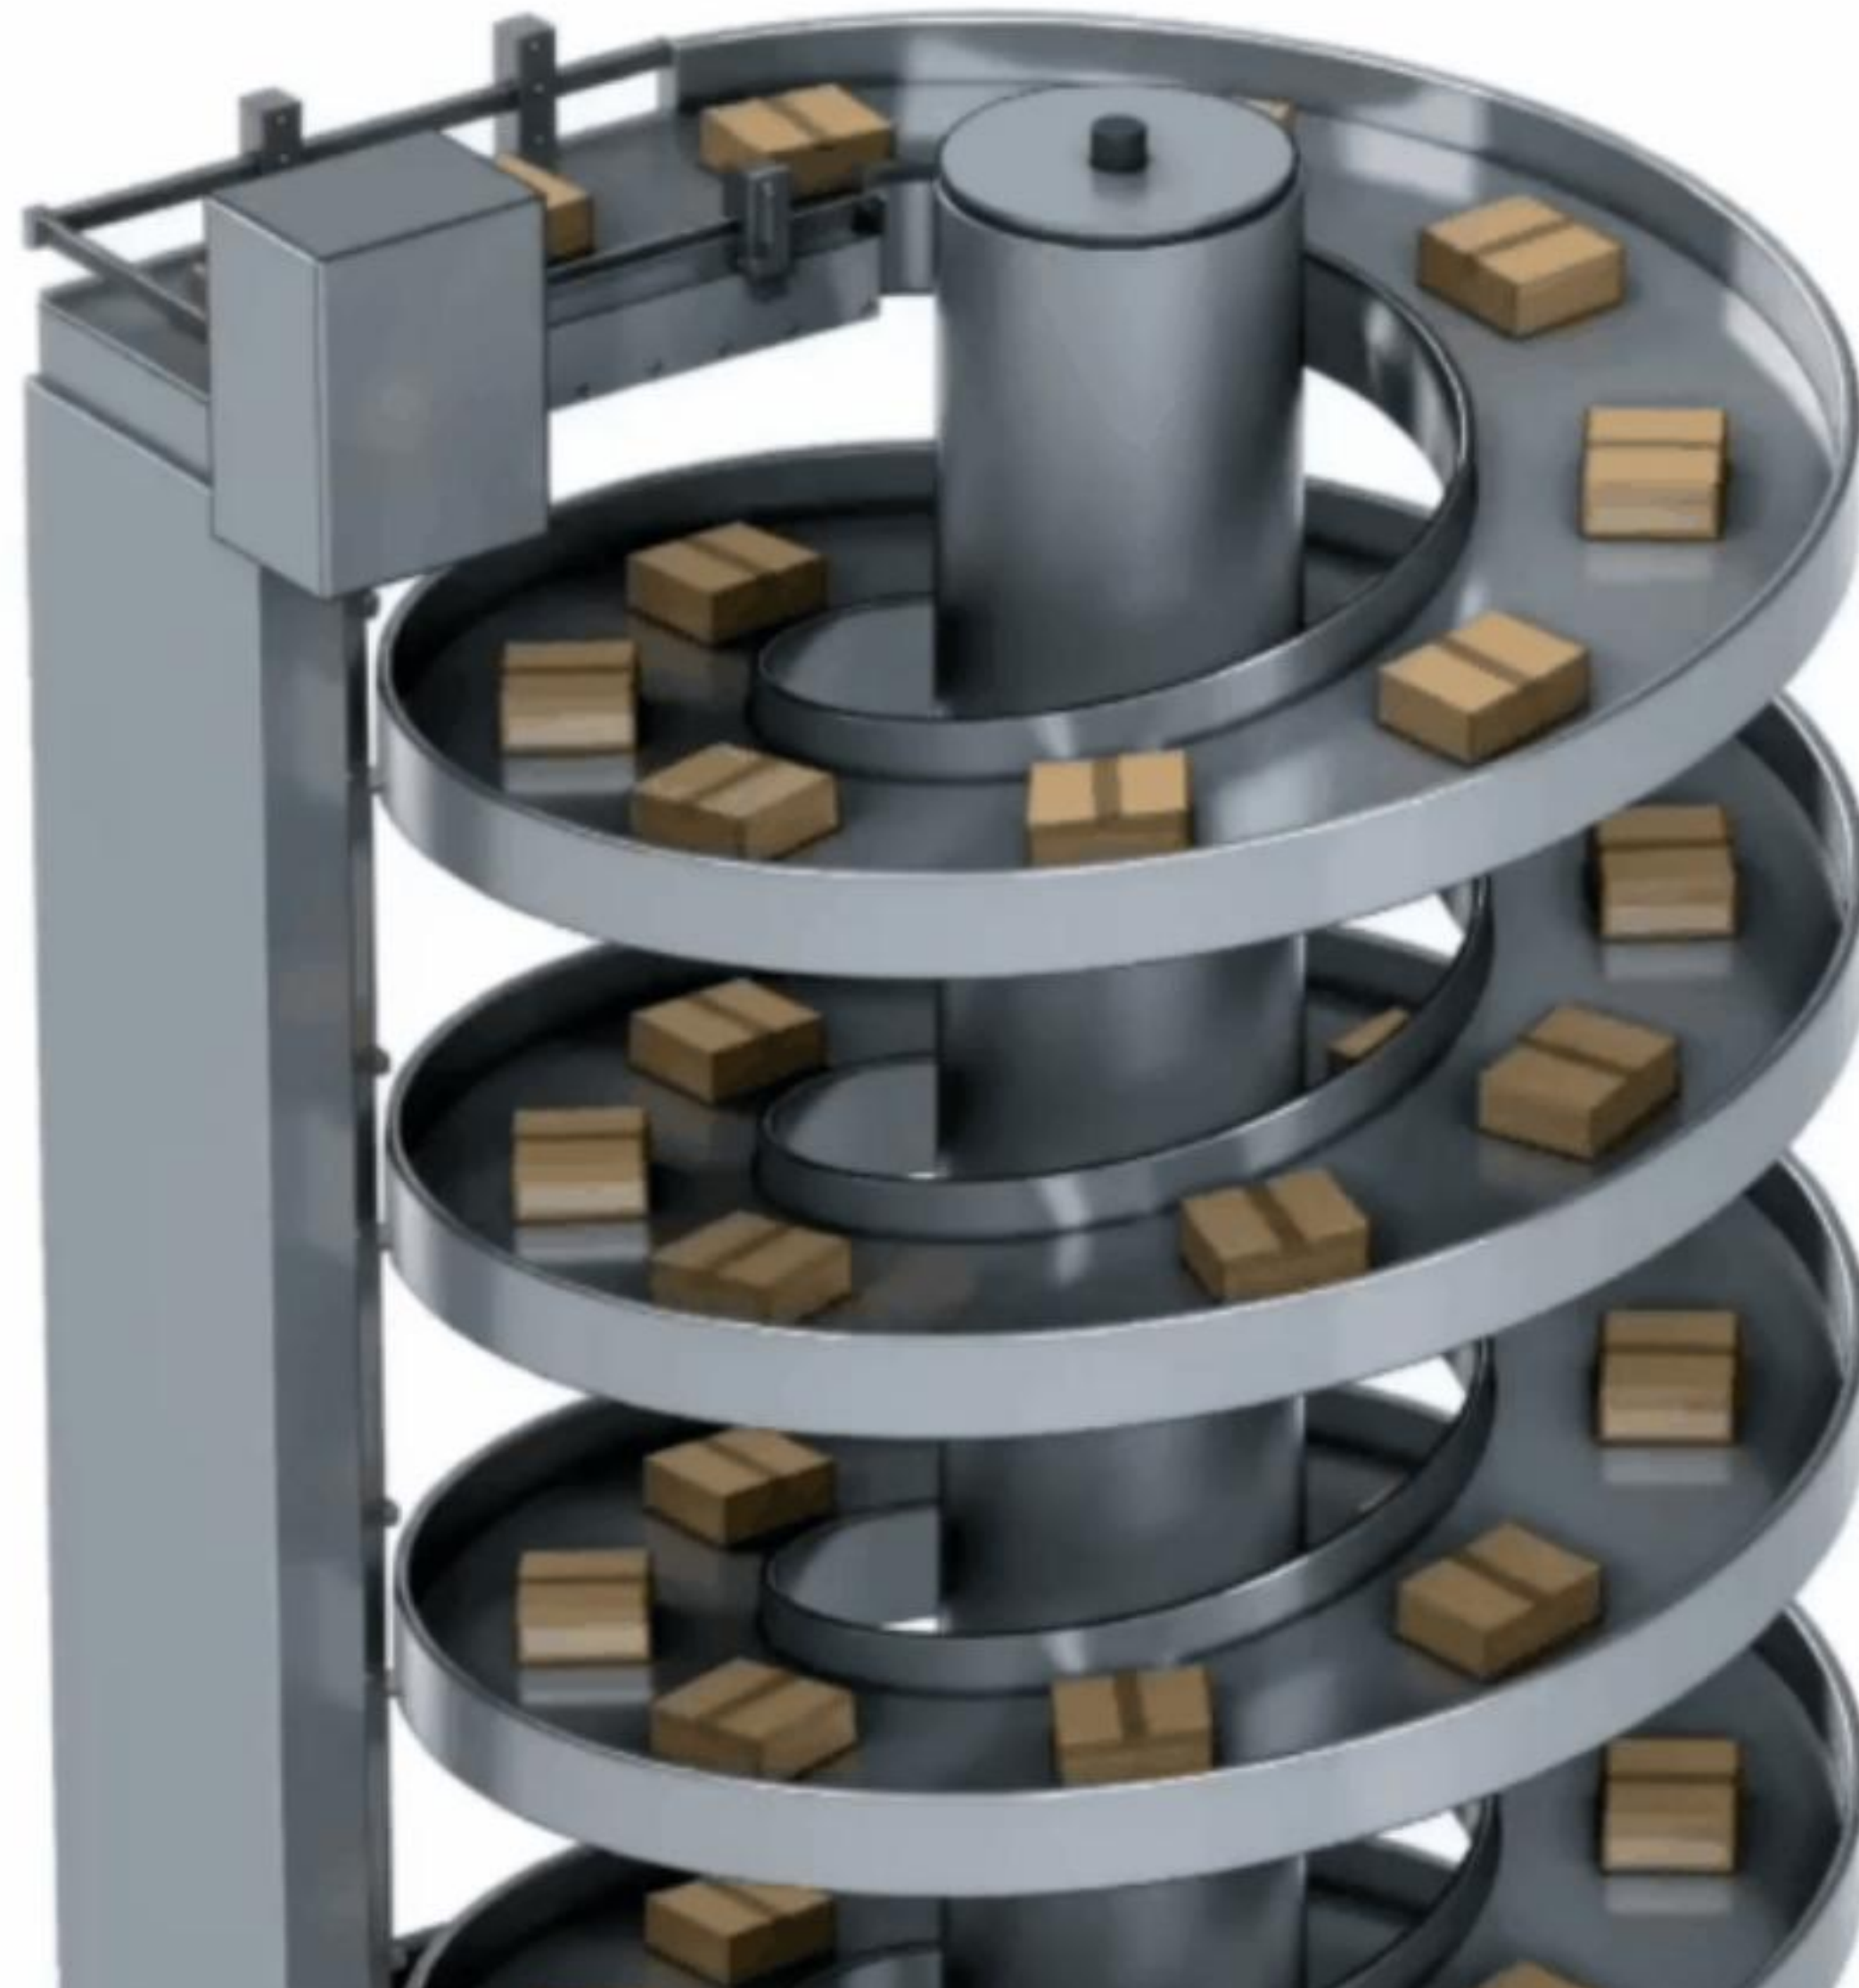

Main Products

Modular Conveying System

Lifting Conveyor System

Key Parameters

Load

50kg/m

Speed

60m/min

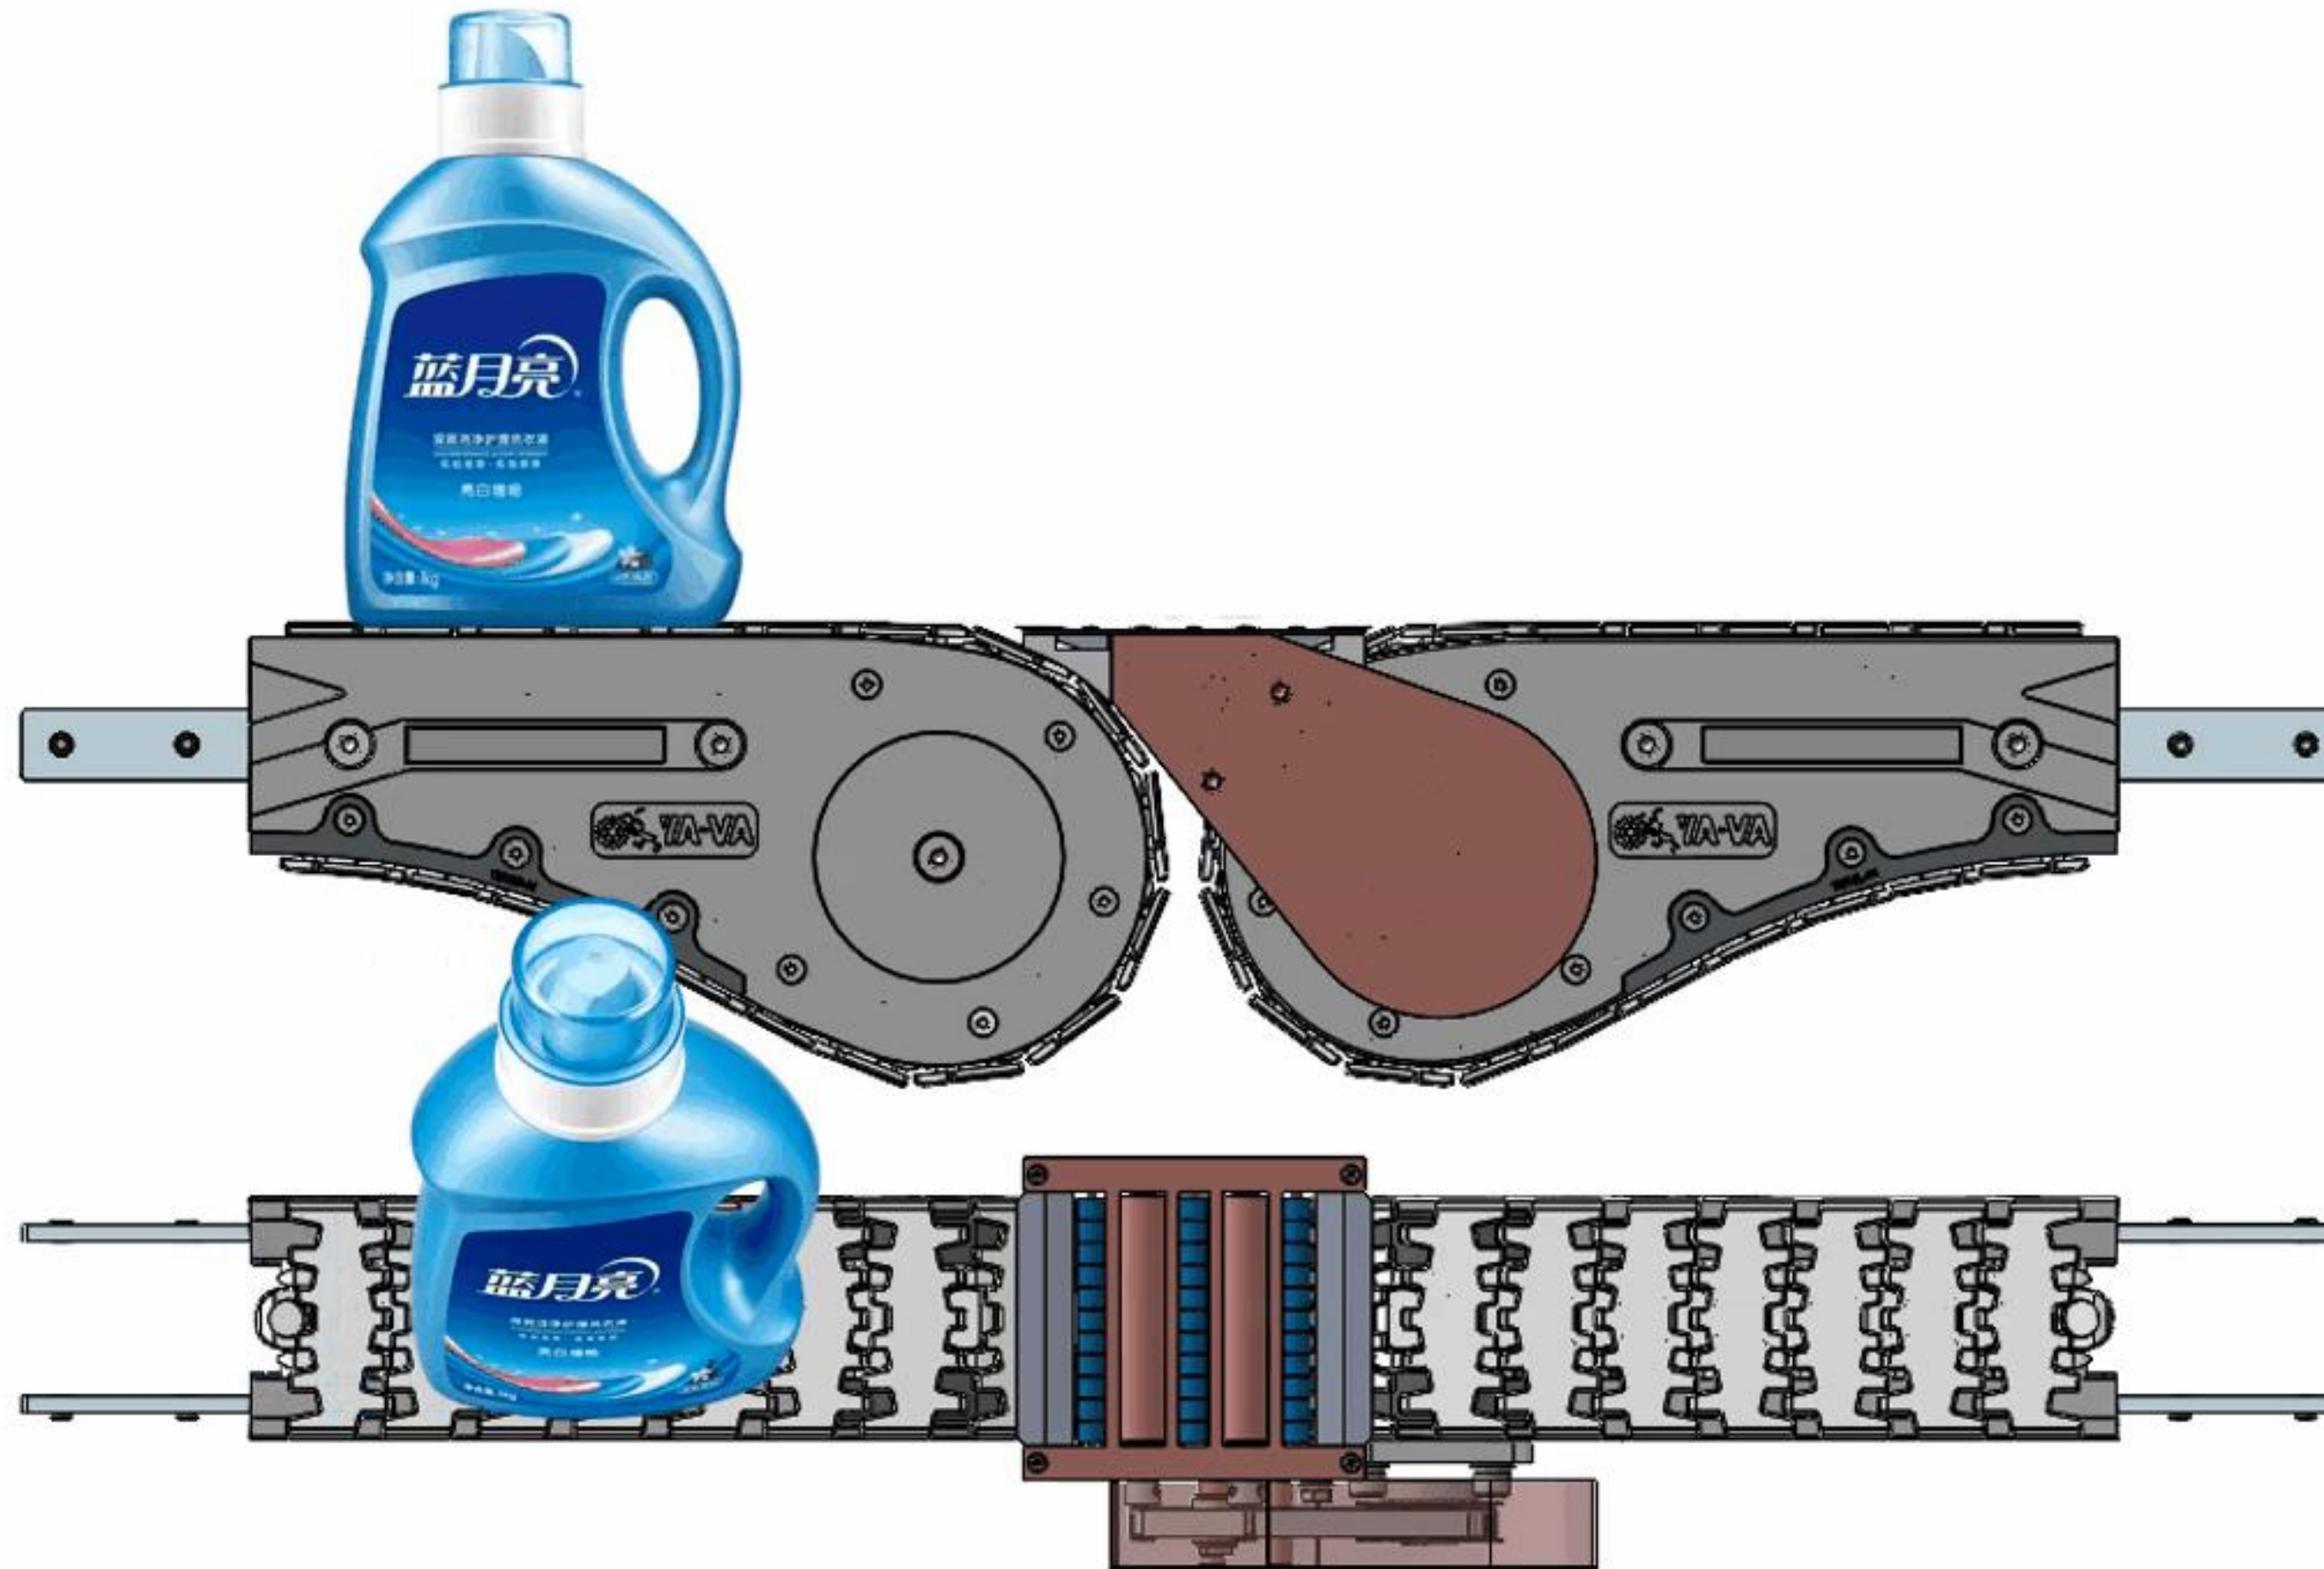

Conveying Width

350mm-700mm

Overall Diameter

1800mm-2400mm

Custom Functional Machinery

Project Cases

Food

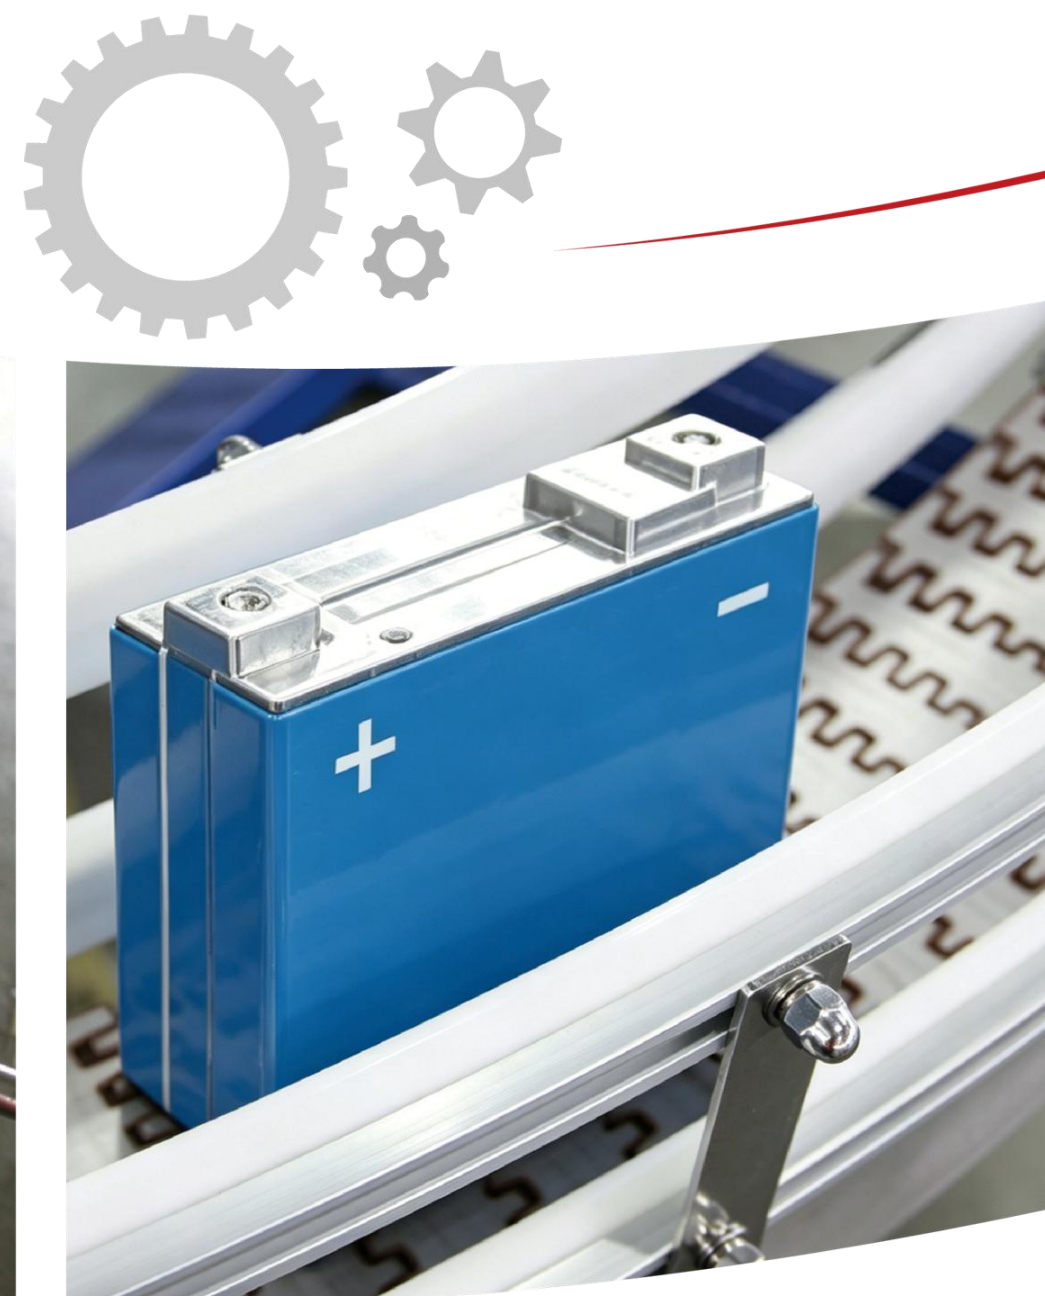

Pharmaceuticals

Daily Chemicals

Batteries

Logistics

Food Sector Case Studies

Cappuccino Coffee

Equipment Setup

43 Flexible Conveyors

Production Capacity

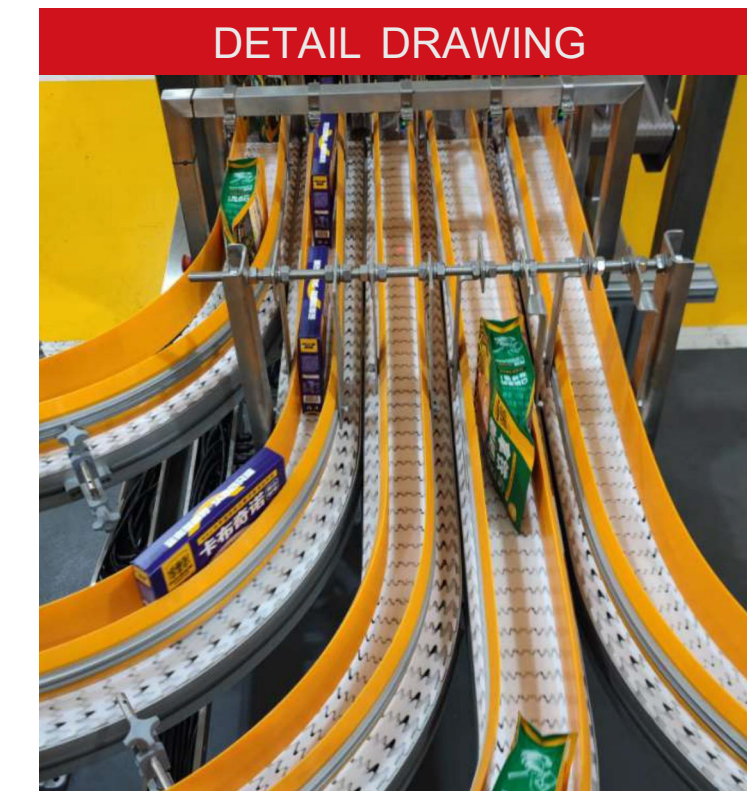

3000 pcs/h

Project Scale

Multi-million Project

Solution Strengths

High space utilization
30 staff saved

ShanDong QiDu Infusion Bag

Equipment Setup

36 Flexible Conveyors
12 Clamping Machines

Production Capacity

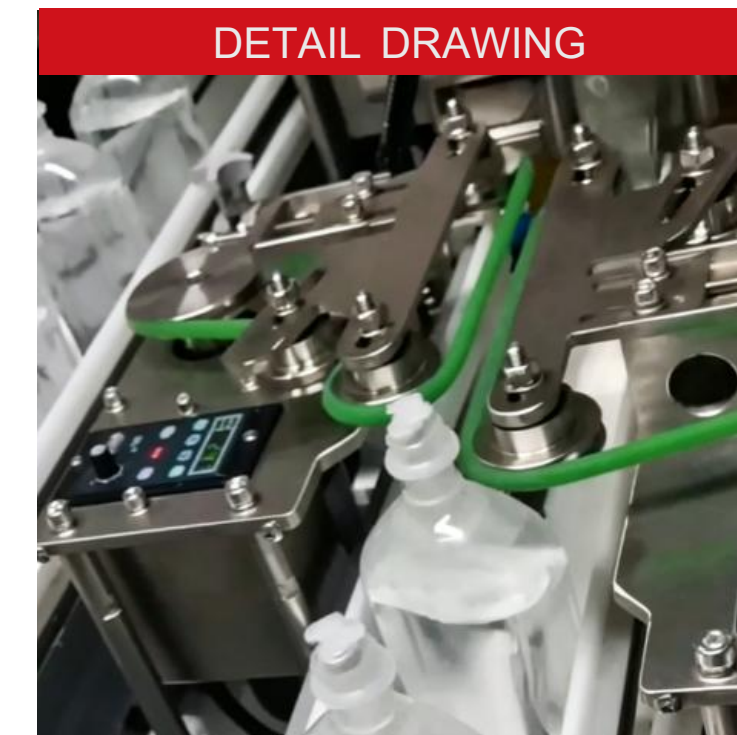

158,000 bottles/hour

Project Scale

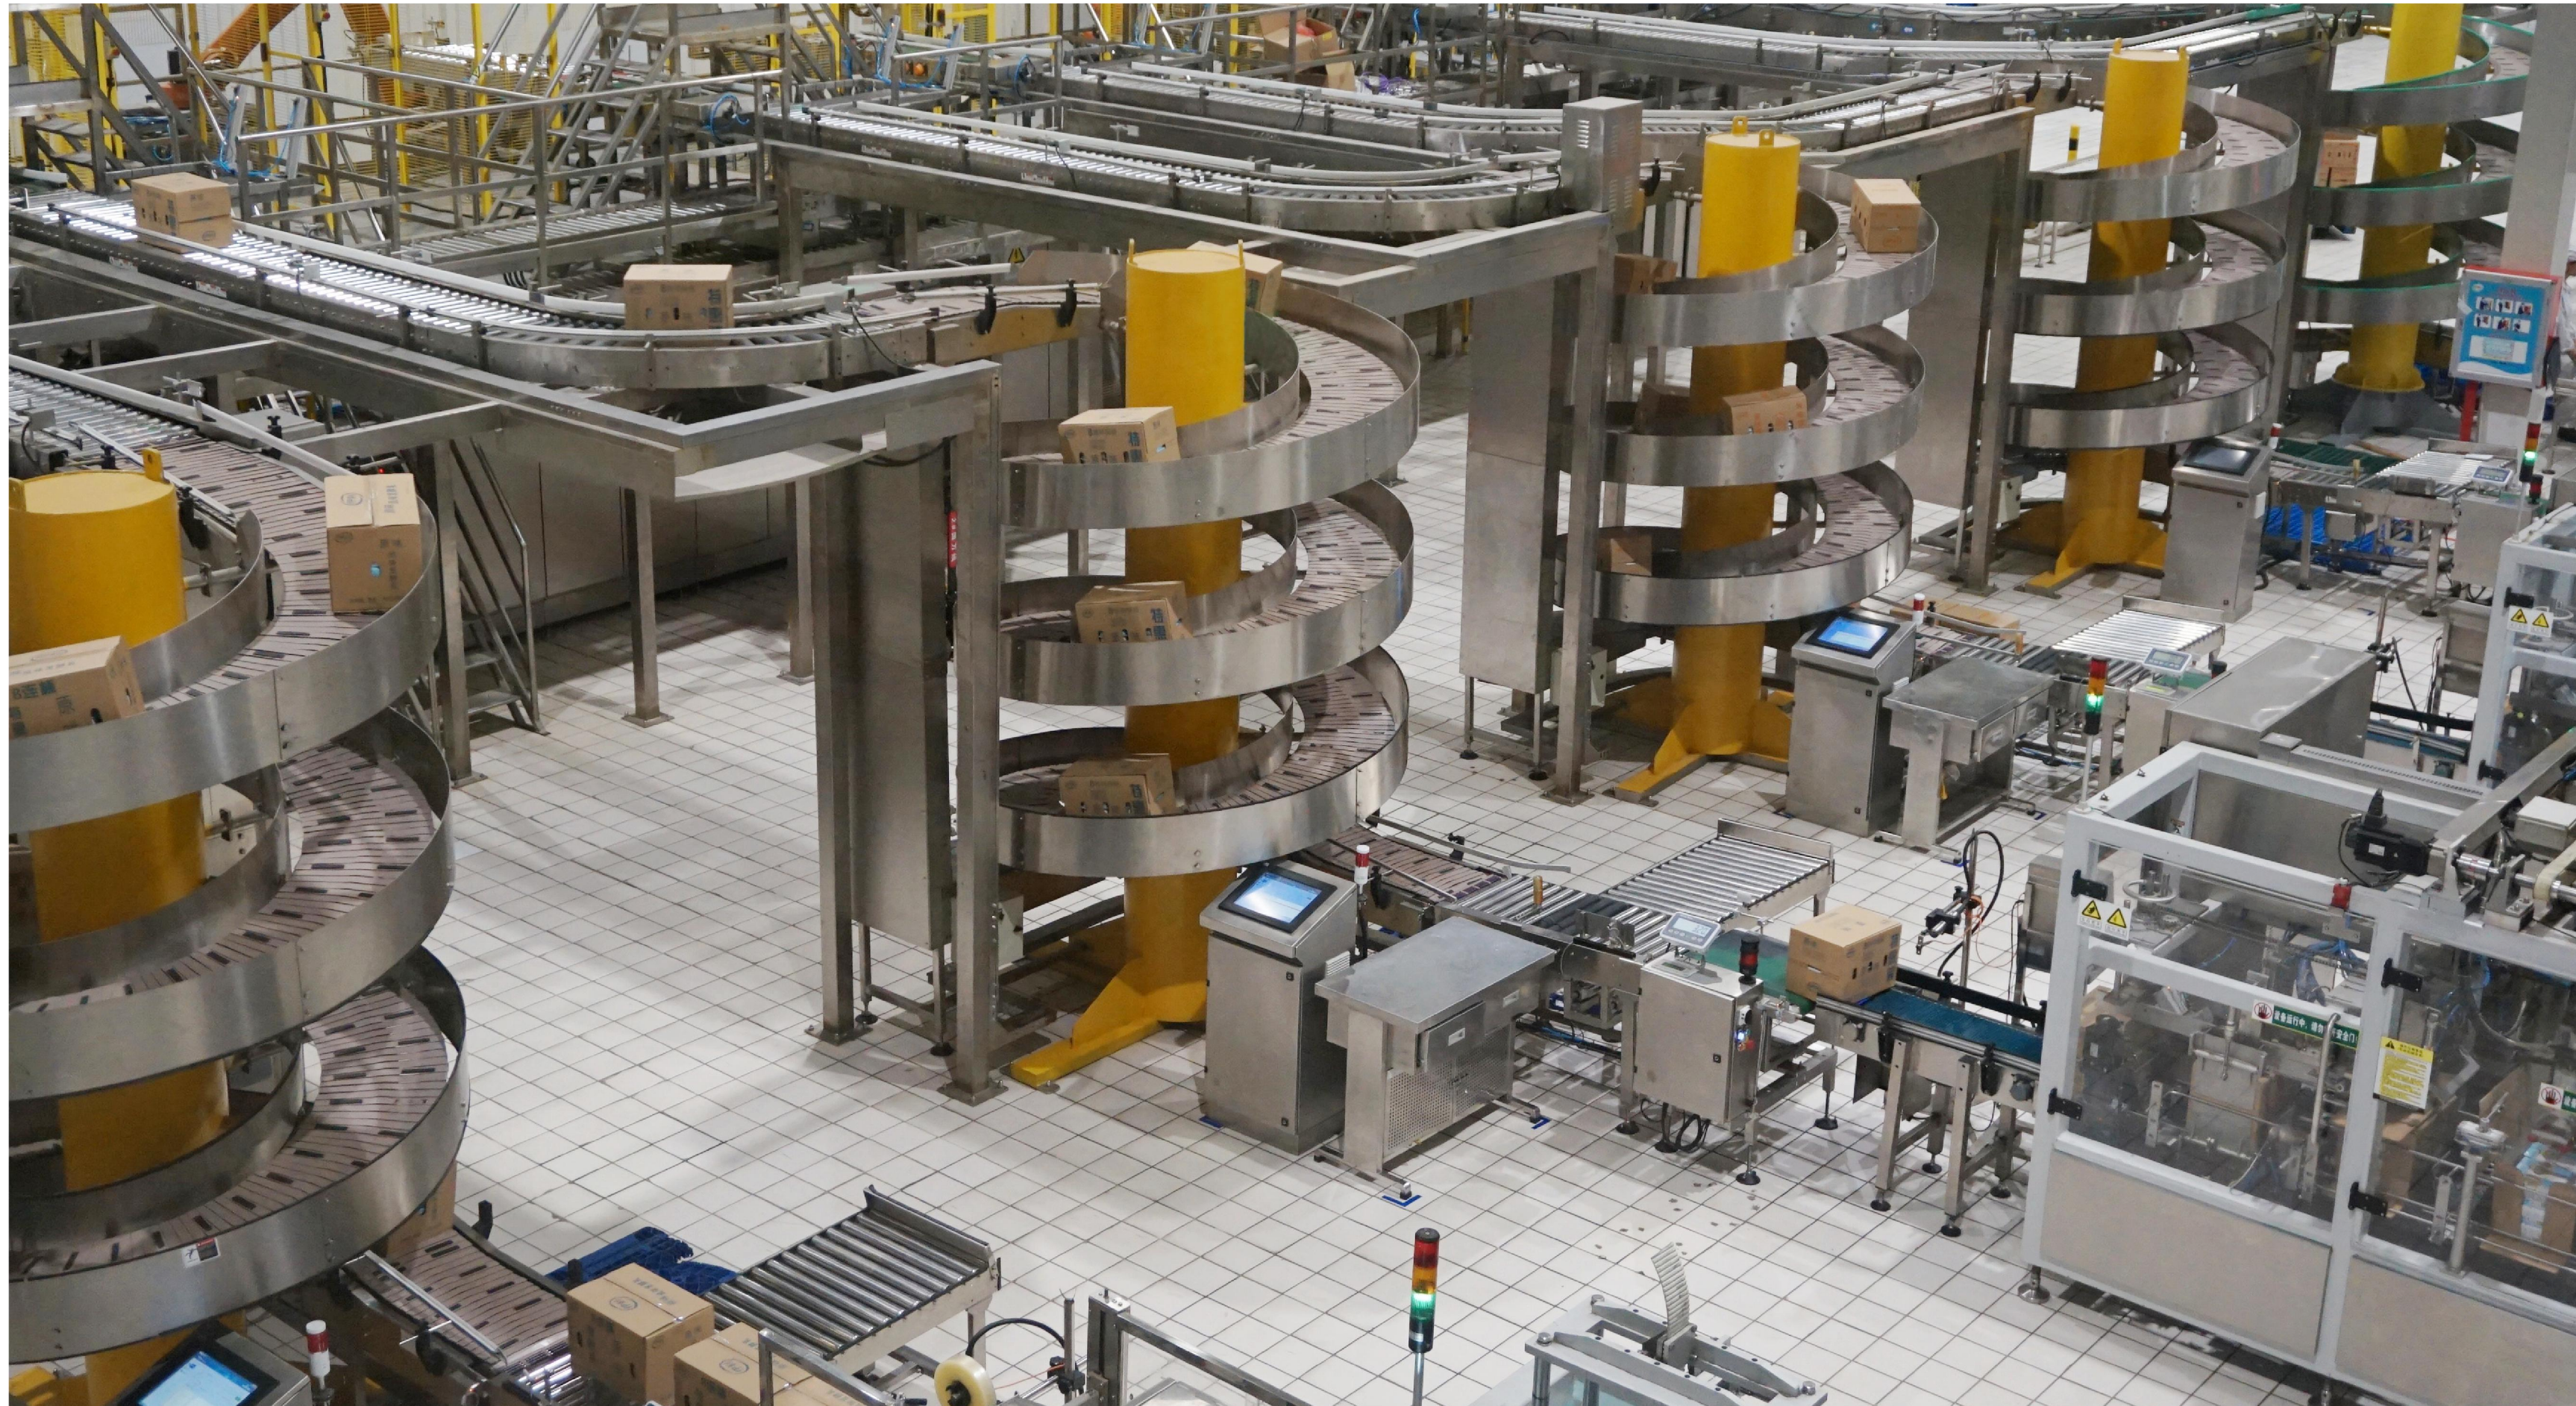

Multi-million Project

Solution Strengths

Efficient cross-floor clamping and conveying
30 staff saved

Daily Necessities Industry Cases

Blue Moon Laundry Detergent

Equipment Setup

8 Screw Conveyors
26 Flexible Conveyors

Production Capacity

4,000 boxes/h

Project Scale

Multi-million Project

Solution Strengths

Saved 10 workers
efficiency increased by 300%

DETAIL DRAWING

Battery industry case

CATL cylindrical battery

Equipment Setup

39 cache towers
350 units of flexible chains

Production Capacity

12000 per hour

Project Scale

Million level project

Solution Strengths

Rich industry experience, project progress completed 2 months ahead of schedule

DETAIL DRAWING

Logistics Industry Cases

CABAX Express Package

Equipment Setup

25 sets of screw conveyors
50 sets of roller conveyors

Production Capacity

69000 cases/h

Project Scale

Million-level project

Solution Strengths

Overhead space utilization
Reserve pedestrian aisles
Save 50 workers

DETAIL DRAWING

Cooperative Clients

Qualification Certifications

106

Invention Patents: 8

Utility Model Patents: 9

Design Patents: 89
